A Letter from the Editor

"A yearbook, also known as an annual, is a type of a book published annually to record, highlight and commemorate the past year of a school." - Wikipedia

Every year, that is exactly what Itawamba Community College's yearbook, the Mirror, does. It traces our history year after year.

At the first Mirror meeting, we were shown the Community Relations archive room that houses every yearbook since 1951. The original cover features an Indian which represents ICC's mascot looking at his reflection in the mirror. How fitting, as the mirror is a reflection of each member of the ICC family's time at the College.

As a publication, it is a memory book, and it reflects the events and lives of the people involved in making the ICC experience unique.

As editor of the Mirror, I, along with the staff, are a part of documenting the rich history of our college. We would like you to join us this year as we continue... **tracing the tribe.**

Erin Griffith

"Tracing the Tribe"

The theme for the 2018 Mirror is "Tracing the Tribe." Each year, the Mirror traces our history and has done so for decades. This year is no exception.

In honor of the heritage of the annual, we have incorporated sepia-tone images throughout the pages, which pay homage to the days of old.

We, as a staff, hope that this year's annual allows you to trace back through your own experience at Itawamba Community College and relive the memories you have made with your tribe.

Move-in Day

Jessica Rogers

Bumper-to-bumper traffic. Trunks popped. Doors opened. Suitcases. Boxes. And more boxes. Paperwork. And more boxes.

It's August 13 and move-in day at Itawamba Community College for the 2017 fall semester, and for most students it would be their first experience at living "on their own."

Members of the Baptist Student Union were on hand to assist with such duties as unloading vehicles, "toting" boxes and hauling whatever the students brought to the seven residence halls to make their "home away from home" just like home.

In some cases, many of the residents were meeting their roommates for the first time. Others had known them for almost a lifetime. As with any new life situation, there were adjustments. There have been opportunities for sharing and for expanding the experiences of those who call the Fulton Campus home.

Most importantly, there are new friendships, those that will last a lifetime...and memories that began on a warm summer day and that will be recalled many years from now.

ICC students at both the Fulton and Tupelo campuses had an opportunity to explore various club and organization options during the "Get in the College Zone" Student Involvement Fair.

The event was September 20 from 11 a.m.-1 p.m. on the pedestrian walkway between the David C. Cole Student Services building/Learning Resource Center and Language building, and the next day at the same time at the Tupelo Campus at the pavilion.

The Student Involvement Fair introduced students to the many avenues of engagement at ICC, enhancing and adding value to their college experience, said organizer Dr. Bronson Prochaska, director of academic success and retention and chair of the learning and life skills division.

The event featured a football/tailgate atmosphere with music, food, games and representatives from ICC clubs/organizations/groups.

Each campus club was asked to participate by having a display, information about their group., representatives from their organization to talk with students and goodies for those stopping by their booth.

Eclipse Viewing

August 21, 2017

There was talk about it for weeks. Can you look at it without those glasses?

The "it" was the total eclipse of the sun, one of nature's most awe-inspiring sights. The date was August 21.

Taking advantage of this amazing event, the Upsilon Sigma Chapter of Phi Theta Kappa at the Fulton Campus and the Health Science instructors at the Tupelo Campus hosted eclipse viewing parties.

At almost "high noon," students, faculty and staff at the Fulton Campus gathered at the Crane Pavilion, put on those glasses and watched "history in the making" while those at the Tupelo Campus had a similar experience in front of the Health Science Education Center.

Although the viewing didn't last very long, those who attended lingered to enjoy food and "catching up" with each other.

Freshman Run

September 7, 2017

Itawamba Community College sponsored its inaugural Freshman Run, September 7, to kick off the Indians' football game with Hinds Community College at Lambert Stadium/ Eaton Field.

Members of ICC's freshman class led the Indians on the field for the first time ever in what is expected to become an annual tradition.

Parents and friends cheered on their students from the stands.

"I had the best time being able to experience the freshman run with new classmates! It will be something I will never forget from my time here at ICC," said participant Laura Buskirk.

ICC's Community Relations department sponsored the event.

Community Tailgate

The dictionary defines tailgate as "a social gathering at which an informal meal is served from the back of a parked vehicle, typically in the parking lot of a sports stadium."

That being said, ICC's Community Relations department took tailgating to a new level on September 28.

Tents replaced vehicles lining the sidewalk that winds around the Davis Event Center on a late sunny Thursday afternoon with just a hint of fall.

There were decorations and themes for the tents. Members of the ICC family, clubs and organizations, enjoyed the company of community participants who were in friendly competition for the "best of" prizes and bragging rights.

There were judges, who had to pick the best... food, atmosphere, spirit and overall tent.

There was Mexican food, barbecue, hamburgers, hot dogs, brownies, cookies and the like, staples of a successful tailgate.

There were winners... Fulton maintenance crew, Best Food; Fulton Chamber of Commerce, Best Atmosphere; The Courtyards, Most Spirit; and Science Club, Best Overall.

Most of all there was hospitality. "Come on in... help yourself." That is community... Mission accomplished!

ICC's Community Relations took tailgating to a new level, September 7.

A vintage truck marked the entrance to the President's Tailgate in the Indian Grove on the Fulton Campus.

Alumni, students, local, county and state officials and members of the ICC faculty and staff socialized at the annual event that usually kicks off the home football season.

Children played games and members of their families enjoyed a tailgate meal catching up with friends.

First Responders Night

The critical support that area first responders provide was the focus of a salute at Itawamba Community College, September 14. They were honored with free admission to ICC's football game with the Northwest Rangers.

According to a proclamation signed by ICC President Dr. Jay Allen, First Responders Appreciation Day was designated to salute those who protect

and serve their communities in such areas as fires, medical emergencies and natural disasters.

Military Appreciation

Red, white and blue were signature colors and flags were symbols of patriotic pride during Itawamba Community College's annual Military Appreciation Night, September 28.

ICC honored current and former members of the military during a special appreciation event at Lambert Stadium/Eaton Field on the Fulton Campus. There were fireworks. A CAREFlight helicopter delivered the game ball. Itawamba County's only surviving Prisoner of War, Private First Class Wayne Miles of Fulton, was honorary captain. There were flags and special music.

It was memorable, but it was much more. It was pride etched on the faces of those who have served or are currently serving in the armed forces. They stood tall, some saluting in front of their respective banners during a halftime salute by ICC's All-American Band.. The United States Army, the United States Coast Guard, the United States Air Force, the United States Marines and the United States Navy. It was the members of ICC's Magnolia Gold - PFC Marques Verner, Charles Palmer and Olivia Lipsey - who presented the colors.

It was the American flag-waving crowd, many of whom were wiping away tears as they saluted "local heroes" for their service.

It was a night of celebration of the lives of those who participated on the field... and a night of remembrance of those who lost their lives to ensure America as the "land of the free and the home of the brave."

Itawamba Community College President Dr. Jay Allen, right, presents the ceremonial game ball to the ICC Military Appreciation Night honorary captain, Private First Class Wayne Miles of Fulton, the only surviving Prisoner of War from Itawamba County. He was in the third Army, 317th Infantry, 80th division, company 1. PFC Miles' wife, Adene, joined him for the special presentation during pregame activities, September 28.

Then there was one. The announcement...the winner of the 2018 Itawamba Community College Most Beautiful Pageant is... Jada Standifer.

"At this moment, I really do not know how I feel," Standifer said during her interview. "I was hit so fast with a dream come true. When my name and number were called for ICC's Most Beautiful 2018, I was stunned, shocked, but satisfied with their choice. I am very delighted, overjoyed and blessed...I am very honored to be ICC's Most Beautiful, and it has made me realize and understand now who I am, what I believe and what I stand for. Being an ICC student, cheerleader for two years and now Most Beautiful has made me the happiest girl in the world. This feeling is the best feeling ever!!!"

A resident of Amory, Standifer is majoring in nursing/general studies. A member of Phi Theta Kappa, she plans to earn her Ph.D. in healthcare administration. She is the daughter of Christopher and Deniece Standifer.

As Most Beautiful 2018, Standifer will serve as an ambassador for ICC's Alumni Association and will attend functions on behalf of that group, which she will join after graduation.

"I see my role as ICC Ambassador as being an ICC representative and promoter of this great college," Standifer said "...Part of my role is to share that ICC is the place to be for several reasons...First, to get the best education from the best professors; Second, to meet new people and make memories and third, to experience the family-oriented atmosphere...it is not only a place that crowned me as Most Beautiful, but when you step foot on this campus, you will see that this campus is like a rainbow...beautiful and speaks volumes."

Those selected to the top five in addition to Standifer were Hannah Grace Harwood, Tori Graves, Katie Henry and Morgan O'Callaghan. Others in the top 10 were Alex Springer, Carly Childers, Kelsey Roberson, Carmen Starks and Kameron Atkins.

The singing competition was open to all students who wished to showcase their ability before both judges and their peers.

Just as in American Idol, the 10 finalists of Indian Idol were selected in preliminary rounds to advance to stage performances on March 29 and April 5, 12 and 19 at the W.O. Benjamin Fine Arts Center auditorium at the Fulton Campus.

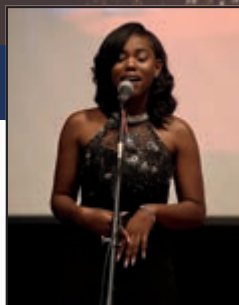

Members of the audience were asked to vote by texting a contestant's number to cast their vote. Their votes were counted as well as those from volunteer judges to select the winner.

In Remembrance of Zion Ford

Results

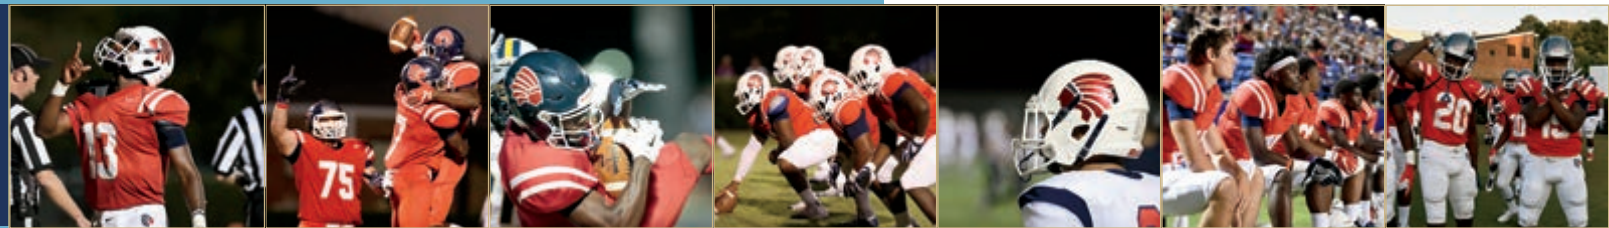

On February 11, 2018, Itawamba Community College lost one of its very own, Zion Ford. An alumnus of Caledonia, Ford was loved by many of his friends and family. "Not only was Zion a great teammate, he was a great kid away from the game of football," said head coach Sean Cannon. Ford was remembered for his smile, hard work ethic and desire to do whatever he could to help the team and his teammates both on and off the field.

Lady Indian Basketball

After a grueling 22-games, the Lady Indians' season came to an end on a coin toss. The Lady Indians finished the season 14-8 and tied with Northwest in the final standings of the region. After both teams were eliminated in the opening round of the MACJC Tournament, the region was forced into an unprecedented scenario. Though there is no official coin toss rule in the NJCAA tie-breaking process, both colleges' coaches and athletic directors agreed to allow the coin toss to determine who would fill the final spot in the NJCAA Region 23 Tournament. Unfortunately, luck was not on the side of the Lady Indians. Freshman Shaniyah Buford (Abbeville) averaged a team-best 15.1 points per game. Redshirt freshman Taneshia Miller (Greenville) grabbed a team-high 7.3 rebounds per game while sophomore Lauren Fitch (Decatur, Ala.) dished out a team-leading 4.6 assists per game.

Film Club

Patrick Raiford and Alexis Dunaway show students why they should sign up to be a part of Film Club at the annual Student Involvement Fair.

Students promote their new pilot TV show called "Department of Public Works" or "DPW" for short.

During Spring Break 2017, ICC students worked on a pilot TV show called "Department of Public Works" with professional filmmakers. Producer PJ Leonard from New Jersey gave ICC students the opportunity to intern with Clay Delauney, a director from Los Angeles, and Greg Contaldi, and assistant director from New York. The students worked as crew on the show, which starred Josh Sussman from "Glee", Obba Babatundé from "Madam Secretary", and other actors from Los Angeles. The TV show premiered in Tupelo in October 2017.

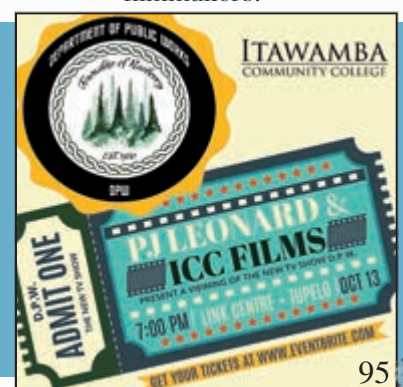

Dylan Sullivan gets ready for the Zombie Run and showcases the expert makeup a fellow Film Club member artistically did for him.

ICC students pose with actor Patrick Gallagher from the "Night at the Museum" movies on set during Christmas break. PJ Leonard produced a short film with the students and local filmmakers.

Front: Jacob Buse. Second row: Eden Blakely, Victoria Page, Telexus Miller, Drew West and Anna Nolley. Third row: Emily Stephens, Brandon Singleton, Grace Polite, Amber Thomas, Caleb Hall, Parker Gailor, Dylan McCalla and Alexis Dunaway. Fourth row: Ashley Daniels, Chelsea Page, Katie Cornelius, Arden Spearman, Hayden Jenkins, Elizabeth Banes, Kendrekus Armstrong, Brandon Charles, Madison Nanney, Savanna Guin and Patrick Raiford. Back: Dylan Sullivan.

Dr. Jay Allen President

On July 1, 2017, Dr. Jay Allen became the seventh president of Itawamba Community College after serving as president and chief executive officer of Hopkinsville Community College in Kentucky since January 2014. A native of Jackson, Dr. Allen served in several leadership positions at Hinds Community College and as a senior-level administrator for Mississippi Gulf Coast Community College - Perkinston and the George County Center - for a combined total of 22 years. He earned the Associate of Arts degree in May 1991 from Hinds; the Bachelor of Science degree in 1993 and the master's degree in 1995, both from Mississippi State University; and the doctorate in higher education administration degree from the University of Mississippi in 2009. His experience includes both academic and career and technical education, student services, institutional development, information technology, business services, athletics, workforce and other non-credit areas.

The Allen family from left: Emma Grace, Dr. Jay Allen, Mollianne and Belinda.

Around the College

When Dr. Jay Allen and his family moved into The Residence at the Fulton Campus, not many area residents had met them. Although they had been "introduced" through the media, members of the community had opportunities to "meet and greet" the First Family shortly after they arrived.

On July 3, the community had another opportunity to see ICC's seventh president, who served as grand marshal, and his family riding in a black Chevy convertible leading the patriotic parade.

Area legislators had the opportunity to interact with administrators from both ICC and Northeast Mississippi Community College, Nov. 7, at a luncheon at the Belden Center.

Presidents Dr. Allen, ICC, and Ricky Ford, Northeast, present an overview of their respective colleges as part of a program that included highlights of the Mississippi Community College Board and the FY 2019 legislative recommendation presented by Dr. Clyde Muse, president of Hinds Community College.

The three priorities for the recommended funding include fair and equitable funding, workforce and economic development and capital improvements.

In his message to ICC faculty and staff during the August 2017 convocation, President Jay Allen focused on "Igniting Potential."

An articulation agreement signed on Sept. 20 between Mississippi University for Women and ICC will give students in the allied health profession upward mobility in their careers.

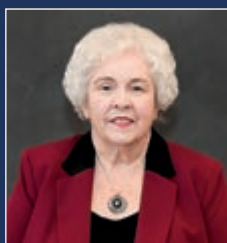

Meets and Greet at all three college locations - Fulton, Tupelo and Belden - were the first order of business with faculty and staff and members of the community lining up to welcome the Allens, who took time to visit with each of those who attended. In addition, the Itawamba County Development Council hosted an event for "local folks" to get acquainted.

The 2018 Mirror is the completion of many hours of dedication and hard work by the staff members. In early fall, we came together to decide what the theme for this year's yearbook would be. After exploring many different themes, we decided to go with "Tracing the Tribe." By choosing this theme, we thought we could incorporate tracing back to where the yearbook began. Without having yearbooks in schools, no one would ever remember what happened during those years. So, throughout the yearbook you may have noticed the sepia-toned pictures, and this is how we incorporated the "old photo" look into tracing the tribe.

The last page of the 168-page book was sent to the publisher on March 9. This year's editor is Erin Griffith; co-editor is Bryanna Trulove and director of photography is Lexi Ballard. The editors and staff would like to thank Nina Strother for all her hard work and dedication into making this yearbook the best it can be. We would also like to thank Donna Thomas for taking time out of her busy schedule to help us make this year's annual be perfected by proofing it's pages. In addition to Mrs. Strother, we would like to give special thanks to Maggie Caldwell and Lee Adams for illustrating the pages throughout this book with their wonderful photography. We would also like to thank Adam Gore and Lee Adams for providing us with all of the specific details for all of the sports at ICC. The editors would also like to thank the staff for working so hard to make the yearbook come to life, because without your dedication to making this annual happen, we would not have anything to trace the tribe.

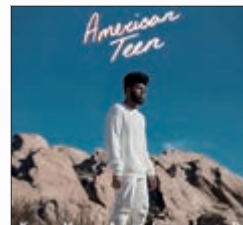

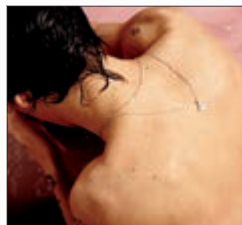

Sincerely,

Erin, Bryanna and Lexi

Your 2018 Editors
